Subject: Deciding Whether to Enroll in STAR+PLUS Medicare-Medicaid

Dear <hohName>:

You have a choice for how you get your Medicare and Medicaid services.

Right now you get medical services through one medical plan for Medicare and another plan for Medicaid.

Soon, you can get all your services under one STAR+PLUS Medicare-Medicaid Plan.

This one plan will provide you with all medical services you get from both Medicare and STAR+PLUS Medicaid. Your Medicare and Medicaid benefits will work together to meet your health-care needs.

What you will get with your STAR+PLUS Medicare-Medicaid Plan:

- Basic medical care you get now like doctor visits, hospital visits, and prescription drug benefits.
- All the long-term services you get now like attendant services.
- A service coordinator. This is someone who will work with you, your family, and your doctors to make sure you get the Medicare and Medicaid services you need.
- "Value-added" or extra services that are listed under your plan in the blue chart that came with this letter.

What you need to do:

1. **If you want to keep getting services the way you do now:** You don't need to do anything. You will keep getting your Medicare and STAR+PLUS Medicaid services as you do now.
2. **If you want to join a STAR+PLUS Medicare-Medicaid Plan:** You can pick one of the medical plans listed on the blue chart we sent with this letter. You can use the chart to
