

Targeted Case Management and Rehabilitation Providers Request Due April 8, 2016

HHSC requires a comprehensive list of all providers delivering mental health rehabilitative services and mental health targeted case management in Medicaid managed care. HHSC requests that STAR, STAR Health, STAR+PLUS MCOs and STAR+PLUS MCOs participating in the dual demonstration to provide this information by **April 8, 2016**.

Please see the instructions in the attached excel sheet and complete the second tab listing all providers delivering MH Rehab and TCM for your MCO. If you have questions, please contact Allen Pittman at Allen.Pittman@hhsc.state.tx.us. Please send responses to Allen Pittman and copy your health plan management team.
