

HHSC Hosted Service Coordination Webinars for STAR+PLUS MCOs

The HHSC Utilization Review Unit will be hosting a series of webinars for STAR+PLUS MCOs on the Home Community Based Services (HCBS) STAR+PLUS Waiver (SPW) Program for registered nurse service coordinators and their support staff. This series is a “by nurses, for nurses” training that focuses on a comprehensive, assessment-driven service plan. The required assessments and forms used for HCBS SPW Program are paired with the nursing process, and this training provides specific direction for completion of the upgrade and reassessment process.

The webinars will be available live in the dates noted below, and archived versions will be available at a later date. HHSC strongly encourages all MCO service coordination staff to participate in the webinars or listen to the archived webinars when they become available.

If you have questions regarding the webinars please send them to Charles Bredwell at Charles.bredwell@hhsc.state.tx.us.
